MINNESOTA NORTHERN LIGHT

2022 Winter Issue

"Serve the Lord with Gladness..." Psalm 100:2

Prayer may be simple or complex — silent or corporate — memorized or free-flowing from our heart. It is a conversation with God and shows our love for our heavenly Father.

The 2022 Prayer Service, based on Luke 11:1, "Lord, Teach us to Pray," looks at various forms of prayer used frequently by believers as we seek to honor Christ, the Lord

of the Church, with our prayers. LWML thanks Rev. Grimm for authoring the 2022 LWML Prayer Service. The Prayer Service is available to download at www.lwml.org/prayer-service.

Thank you to everyone who completed and returned the forms that were sent out in the Fall Packet. We are compiling the information for the various LWML reports that have to be filed. All this information is necessary to plan for the coming year and for the LWML to develop programs that help us all.

We continue to make plans for the LWML Minnesota North District Convention June 20-22, 2022, at the Courtyard by Marriott in Moorhead, MN. You can make your plans to

attend also! We look forward to a wonderful time connecting with our LWML friends. Watch for more convention information and the registration form in the Spring newsletter.

Don't forget, the deadline to submit Mission Grant proposals is February 15, 2022.

We will be collecting Mites through March 31 to fund our 2020-2022 Mission Grants. When submitting your mites, be sure to get them to the Financial Secretary, Peggy Pasche, before March 31 to be included in the biennium totals. We will begin the new biennium on April 1.

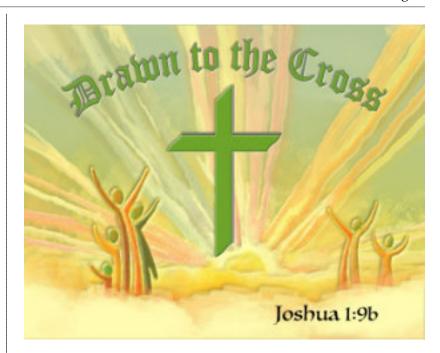

Please continue praying for LWML Minnesota North District members and the Board of Directors as we all come together to "Serve the LORD with gladness!" (Psalm 100:2).

Blessings, Kathy Brandt, District President LWML Minnesota North District

Just Pray – Jesus Cares

Is anyone among you suffering? Let him pray.
Is anyone cheerful? Let him sing praise.
James 5:13

Do you ever get distracted when you pray? Do your thoughts wander thinking about all the things you need to do that day? If you can relate, don't dismay – the first followers of Jesus, the Apostles, also needed some prayer guidance:

Now Jesus was praying in a certain place, and when he finished, one of his disciples said to him, "Lord, teach us to pray, as John taught his disciples." And he said to them, "When you pray, say: "Father, hallowed be your name. Your kingdom come. Give us each day our daily bread and forgive us our sins, for we ourselves forgive everyone who is indebted to us. And lead us not into temptation." Luke 11:1-4

Prayer is two-way conversation with God. We talk to Him and also listen to Him. As a child of God, it seems natural to ask our Father for the things we need and to seek advice or guidance. God knows that at times we don't even know what to pray for, but when we make our requests to Him, we trust Him to hear our requests and answer in His time and way.

Prayer brings us in touch with God and others. Christians pray in the name of Jesus Christ and in the power of the Holy Spirit. As we pray, we offer thanksgiving, repentance, praise, and requests to God, trusting in His grace and mercy. Prayer isn't a ritual that depends on closing our eyes and putting on holy faces. We don't have to kneel or sit. We can pray while

walking, driving, or working. God responds to a two-word cry for help in the middle of a busy afternoon, just like He does to a focused prayer after reading Scripture in the morning. Praying doesn't have to be complicated. God delights in any simple words we offer Him.

Posture, tone, and place are personal matters. Select what works for you, but don't think about it too much. It's better to pray awkwardly than not at all. And, if you feel you should only pray when inspired, that's okay. Just see to it that you are inspired every day.

So, in a nutshell - pray.

- Don't prepare to pray. Just pray.
- Don't read about prayer. Just pray.
- Don't attend a lecture on prayer. Just pray
- Don't engage in discussion about prayer. Just pray.

As we look forward to 2022 and the opportunities it presents, remember that there are resources available through LWML on prayer and numerous other topics for you and your group to use at meetings, rallies, and other events. MISSION GRANT PROPOSALS WANTED!

Did you know that the first grant was given in 1943 for \$15,000 to Christ Church for the Deaf in Cleveland and the first grant the LWML Minnesota North District gave was in 1944 for \$5,000? Since then, millions of dollars have been received to fund Lutheran Women's Missionary League (LWML) Mission Grants. Hundreds of these mission grants became realities because one LWML member or one LWML group learned of a mission need and made the effort to do something special — to submit a mission grant proposal to fund the project.

The deadline for submitting grant proposals

for the Minnesota North District is February 15, 2022, for the 2022 – 2024 biennium. An individual or a LWML group can be a blessing to others by continuing to be aware of the needs in her community and submitting a mission grant proposal for them. You can find the application at LWML Minnesota North District (IwmImnn.org), click on the 2022 Mission Grant Application Form (Microsoft Word) to complete on your computer.

Continue to remember our LWML grants—both on the national and district levels—in your prayers and continue to support them through your Mite Box offerings.

Mighty Mites

The Mighty Mites, is the true story of 12 orphans written by Jim Dent. It is a tribute to a courageous group of orphaned boys (in 1927) who started kicking a soup can to entertain themselves. They grew to a winning football team in the 1930s, when America desperately needed hope. The Mighty Mites were an inspiration to football fans and others.

LWML has Mighty Mites too, and our Mighty Mites help and give hope to many through our mission grant recipients. The Jacmel Lutheran Home and Center for Refuge Orphanage is one of the 2020 – 2022 Missions Grant recipients from the Minnesota North District. In addition to the orphanage, they have an eldercare home facility (believed to be the only one in Haiti). It opened in January 2019, with 10 residents that were malnourished and had to be carried to vehicles to transport them to the new home with promise of food and care. Even during the 2020 pandemic they were cared for with prepared meals and medications as needed. Their care was successful as there were no cases of Covid.

Conditions in Jacmel, Haiti, are different from those in Minnesota and the United States, yet we also have people that are living with pain, hunger, and loneliness. They exist around us, in our neighborhoods, and yes, even in our churches. So, ask yourself, "How can I help?".

The Minnesota North District will be voting on the proposed mission grants for the next biennium at the June 2022 convention. Do you have a cause that needs some Mighty Mites? If so, submit your Mission Grant Application by February15, 2022. The applications are available on our LWML Minnesota North District website - www.lwmlmnn.org/resources.html.

Then the King will say to those on his right, 'Come, you who are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world. For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.' (Matthew 25:34-36)

HUMAN CARE

Rev. Matthew Vrudny, Pastoral Counselor • Sheri Adkins • Patty Wiedewitsch

Last month, as the Human Care reports from groups and zones were appearing in my mailbox, I reflected on how LWML women were doing and feeling about their serving. Myrna Lou Meyer's Mustard Seed Devotion helped me focus on what is important. As it says in Matthew 25:40b, "...whatever you did for one of the least of these brothers of mine, you did for me".

The devotion lists many ways of serving. Here are a few. When you pour cold water for your toddler or an aged parent, you are serving the least of these. When you donate money to a pregnancy center or sew warm quilts, you are

serving the least of these. When you send a card or pray for prisoners, members of the military, or the sick or dying, you are serving the least of these. Do you see that all of those serving ideas could be done from our homes? They may not be the same as you did last year or five years or more ago but they are still God-pleasing.

What is God's plan for you in any of these situations? God has placed you in the time, place and age that you are to serve in that exact spot. Your hands might hurt too much now, so tying quilts is not the best activity for you. What else has God put in your path for you to do?

HUMAN CARE (CONT'D)

Part of the role of LWML in congregations is guiding and leading all people in their 'service to the Lord'. With support and encouragement, more people in our congregations will think of and accomplish acts and events of service. God loves all service and wants us to celebrate and participate in all opportunities as we are able,

whether it is initiated by LWML or not.

As we continue to grow our faith through the study of God's Word, we can be content in the vocation that God has set before us. With contentment comes Joy — Joy to serve our Lord with gladness!

Gaining, Training, Maintaining Women of the LWML

The mission statement of the Lutheran Women's Missionary League does not address gaining. training, and maintaining participants in LWML. So how do they come about? We believe it is when we reach out to each woman by:

- Assisting her in affirming her relationship with the Triune God by getting into the Word.
- Praying that the Holy Spirit will work through the Word to inspire and enable her to use her gifts.
- Inviting her to observe and experience the opportunities LWML offers as ways for her to use her gifts in ministry to the people of the world.

What are Ways to "Assist Each Woman?"

- 1. Try to get all the women in your church involved in Bible study.
- 2. Personally invite the new and inactive women to a meeting or a Bible study.
- 3. Assume every woman in the congregation wants to be involved in Christian service.
- 4. Plan a gathering once or twice a year with a special theme and at a different time than usual.
- 5. Provide babysitting services for gatherings, Bible studies, and special events to encourage young mothers to attend.
- 6. Plan frequent receptions to welcome women into your congregation.
- 7. Be an example of service to the inactive women, just as Christ is our example.

Once the women in your congregation are interested in showing their faith through service, your group needs to help them identify their gifts and talents and put them to use. Hebrews 10:24 says, "And let us consider how to stir up one another to love and good works."

How Do We Offer Opportunities to "Use Her Gifts?"

- Consult your congregational talent survey to learn of interests and talents of women in the congregation.
- Personally invite them to take part.
- Pair a newcomer with a mentor. It is easier and more fun to learn by doing.

What Are the Reasons Women Join a Service Organization?**

*To be needed *To make a difference (in group or organization)

*To support causes believed in *To feel accepted

*To belong to a caring community *To share God-given talents

*To help others *To learn new skills or use skills already developed

*To grow in faith

Does your LWML group provide opportunities for fulfillment in these areas so women will want to become a part of it?
