If you would like directions over the phone, please feel free to call the LIC Office at (218) 583-2905.

Arriving at the Island from the North...

From **Minnesota 78/108** South into Ottertail, turn left (east) where 78 and 108 separate.

Go east a few hundred yards to **County Road 55**. Turn right (south) and stay on **County Road 55** until you get to **County Road 16**.

Cross **County Road 16** onto **Liberty Drive** (straight south).

Stay on **Liberty Drive** through a sharp right turn; then a sharp left turn, where the road becomes **440th Street**.

440th Street goes down a long hill. The blacktop curves to the right, with a gravel short-cut off to the left, which puts you on **230th Street**.

Stay on **230th Street** between the houses, down the hill to where the road becomes gravel and crosses the causeway out to the Island.

Arriving at the Island from the South...

From **Minnesota 210** at Clitherall follow **County Road 5**, which winds through town.

Stay on **County Road 5** north out of town. The road curves right, runs straight between farm fields, then curves left and goes down hill and alongside the eastern shore of West Battle Lake (the road is very close to the lake).

Look for **230th Street** on the right (east), turn right onto 230th, up a long hill.

Where the blacktop turns left, go straight. The road winds between houses, down a hill to where the road becomes gravel and crosses the causeway out to the Island.

Arriving at the Island from the East...

From **Minnesota 210** west, turn right (north) on **Minnesota 108**, which runs through Henning.

Follow **Minnesota 108** out of Henning to **County Road 16**, which angles left off a curve next to an electric substation.

Stay on **County Road 16** for about five miles to the junction with **County Road 55** and **Liberty Drive**. Turn left on **Liberty Drive**.

Stay on **Liberty Drive** through a sharp right turn; then a sharp left turn, where the road becomes **440th Street**.

440th Street goes down a long hill. The blacktop curves to the right, with a gravel short-cut off to the left, which puts you on **230th Street**.

Stay on **230th Street** between the houses, down the hill to where the road becomes gravel and crosses the causeway out to the Island.

Arriving at the Island from the West...

From Battle Lake take **Minnesota 210** to Clitherall follow **County Road 5**, which winds through town.

Stay on **County Road 5** north out of town. The road curves right, runs straight between farm fields, then curves left and goes down hill and alongside the eastern shore of West Battle Lake (the road is very close to the lake).

Look for **230th Street** on the right (east), turn right onto 230th, up a long hill.

Where the blacktop turns left, go straight. The road winds between houses, down a hill to where the road becomes gravel and crosses the causeway out to the Island.
